Explore new dimensions of leadership and gain fresh perspectives through the innovative Liquid Leadership model.
- **Cultivate impact**  
Empower yourself to make a difference and lead, regardless of your current position.
- **Expand your network**  
Connect with a vibrant community of young leaders from diverse backgrounds across Europe.
- **Expert guidance**  
Benefit from the expertise of acclaimed European leaders, like Julia Middleton and Gordon Bajnai.
- **Boost your profile**  
Earn a Europe101 certificate and unlock access to our ever-expanding alumni network.
- **Interactive learning**  
Immerse yourself in a modern e-learning experience with four weeks of self-directed content, including engaging cases, podcasts, and videos, complemented by three dynamic 'live' workshops.

*“In my personal experience Europe101 guides you to stop, think, reflect and then act. It is a self-exploration journey. How do you want to interact in the current circumstances? How do you see yourself as a leader? Do you take the mic and speak up? You learn that even if the mic is not handed to you, you can still act as a leader. It’s a mindset!”*
